

ELECTION OF THE CLAIMS

In response to the Office Action of October 26, 2005 requiring restriction of the claims to a single invention, Applicants were asked to elect group III, claims 49-52, drawn to a pharmaceutical formulation of a modulator of PDE10E activity. Claims 1-48 and 53-61 are withdrawn from consideration.

REMARKS /CONCLUSION

Election of Group III, claims 49-52 is made herein. Applicants believe that a one-month extension of time is required for the submission of this response and enclose a check in the amount of \$60. However, this conditional petition is being made to provide for the possibility that the Applicants have inadvertently overlooked the need for an additional extension of time. If any additional fees are required for the timely consideration of this application, please charge deposit account number 19-4972 for the additional fees.

Respectfully submitted,
